Unified School District #105 shares responsibility with students, staff and the community in providing a positive learning environment, within the financial means of the district that will allow all students to gain lifelong learning skills necessary to become productive and responsible members of an ever-changing society.

22-045 Approval of Agenda

22-046 Approval of Minutes of the August 16th, 2021 Regular Meeting, September 14th, 2021 Neutral Rate Hearing, and September 14th, 2021 Budget Hearing.

22-047 Discussion/Action COVID Testing Options

School districts have a different option regarding modified quarantine for students who have been identified as a close contact of an active COVID case. Our contact from KDHE, will be in attendance to answer questions from Board members to determine if the school district should pursue this option.

22-048 Discussion/Action Consort Branson Trip and National Anthem Project

Mrs. Wombacher has requested to speak to the Board regarding a planned Consort Trip and the National Anthem Project.

22-049 Discussion/Action Declaration of Surplus Item

Julie Cahoj of Rawlins County Core Community is requesting the district donate a book stand/easel to the organization. This stand was previously used in the Headstart Room and offered to staff. Policies LB, KK, and KK-R seem to best fit this request. With staff not using the stand, I recommend the Board declare it as surplus property and donate it to the Rawlins County Core Community.

22-050 Discussion/Action Federal Bus Mask Mandate

Attached is language and a written reprimand regarding the federal order mandating masks on school busses.

22-051 Discussion/Action Accept Gift

The Kastens Family has donated \$250 to the school district. I recommend the Board accept this gift.

22-052 Discussion/Action Purchase of Transportation GPS System and Radio System

We will discuss the purchase of a GPS system and Radio System for our busses and vehicles. Mark and I have discussed our preference of moving forward with purchasing the GPS system at this time and continuing with the Radio System, with reevaluation in the Spring.

22-053 Discussion/Action Purchase of Ford Transit Van

It is looking likely we will have the bids for the Transit Van by Monday. If we receive bids for the purchase of a new Transit Van, I recommend the Board approves the purchase of the van. This will come from Capital Outlay.

22-054 Discussion/Action Use of Contingency Funds

We have received the settlement invoice from Symmetry. I recommend the Board approves the settlement agreement and we use \$5333.82 of Contingency Funds to pay the final settlement agreement.
