

Atwood Rotary Club Scholarship

Atwood Rotary Club is a local service organization that is part of an international service group, Rotary International. Rotary members live by the motto: Service Above Self. Through this scholarship, Rotary members want to help a young student further their education to prepare themselves for a life of service to their community. The scholarship is \$500 per year for two years or four years, depending on the length of your education program. The student must present evidence of enrollment and evidence of a 3.00 Cumulative GPA to continue receiving the scholarship each year.
